CITY CHURCH CONNECT GROUPS

Simply put, Connect Groups are smaller groups of people that get together to share life, the highs and the lows, grow, laugh and serve together.

WHAT ARE CONNECT GROUPS?

A connect group is an intentional gathering of people who meet regularly. Since God designed us for relationships, we believe it is through the connections made in these groups that God will help us grow. People form groups around what matters in their lives. This can look like connecting with people who share similar interests or are at the same stage in life, as well as finding people who have experience in an area in which you want to grow. We break our connect groups into seven areas: Men, Women, Families, Age+Stage, Location, Courses, and Special Interest.

WHAT HAPPENS IN A CONNECT GROUP?

At Connect Group you talk (and get interrupted) about all sorts of things to do with kingdom living and what we've been talking about on Sundays, eat (great suppers) and pray together. It's a place to have your questions answered, to receive prayer for things you're facing, and to meet lifelong friends. Led by a couple of our awesome Connect Group leaders you'll get a chance to talk together about God, have a few laughs and share what's going on in your lives.

HOW DO I CONNECT WITH A CONNECT GROUP?

We offer a variety of groups to cater for all ages and stages represented at City Church. Talk to a friendly host at the Information Desk on Sundays, contact us, or have a look through this booklet to see what Connect Groups are available.
